

Bananas & Melons
SEXOLOGY IN BALANCE

PRESS RELEASE

Doing It in the Third Millennium

As part of The Australian's 40th celebration, Dr Gabrielle Morrissey was invited to write about the future of sex.

See it today, July 19, 2004 in The Australian special 40th Anniversary magazine pullout.

What will the future of sex entail?
What is 'Kama pharma'?
What will our future sex gizmos be like?
Will relationships change?

For more information about sexology, couple workshops, events and resources, please visit www.bananasandmelons.com.au
